CONGRATULATIONS !!!

CONGRATULATIONS

Robert Easley reached another milestone, as he turned 90 years old on June 4th. Robert has been a long-time member of our club. Also, we congratulate Robert and Katherine on their 55th Wedding anniversary on August 14th. Due to health reasons, they have been unable to attend only a few meetings this year, but we wanted to let them know we appreciate them.

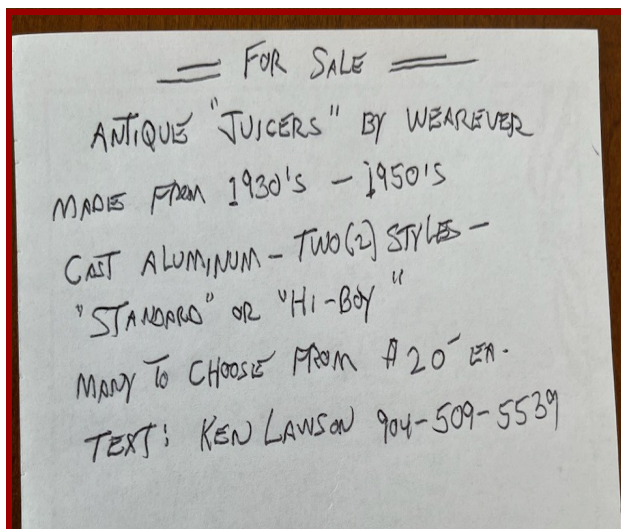

Since their anniversary was the same day as our meeting in August, we thought it would be fitting to have a little celebration with a nice cake to make them feel special. The cake was delicious and was enjoyed by everyone.

Also, we need to congratulate our club on a record attendance of 39 for the August meeting. Joan and I want to thank everyone for your participation and support by coming to the meetings. Our club is growing which is great! Keep looking for new members.

TROPHY AWARD UPDATE

It was great to give Chris Conover a trophy for 3 AACA Club events. Chris is the President of the Sunshine State Chevelles Club and also part of the AACA Club. Chris has a busy schedule with his DJ events at many car shows (PDQ) is one of many, and also our club representative at the First Coast Car Council monthly meetings. It's always to good to have him at our meetings.

There is still time to qualify if have not received a trophy. You only need to attend 3 events before the end of Dec. I'd like to give them all away. Some of you have 2 events so it is easy to qualify with 1 more. So far, I have awarded 9 trophies, and I ordered 20.

So, Let's finish the race!!
